Silvia Gutiérrez

UX Designer

EXPERIENCE

UX/UI Designer

Ogilvy | March 2021 - Present

Design and prototype intuitive user interfaces for web and mobile applications, ensuring seamless user experiences.

Collaborate closely with product managers, developers, and other stakeholders to align designs with business goals and user needs.

Work hand-in-hand with the research team to conduct testing rounds and gather insights to improve the product.

Account Manager

Hostess & Promoter | Feb 2018 – Feb 2020

Managed international client relationships, monitored promotional campaign performance, and coordinated teams for BTL events and promotions.

Event Planner

Doble 36 | Feb – Nov 2017

Supported event coordination and production, liaising with clients and suppliers and managing event spaces during event days.

EDUCATION

Design System Pro

Shift+R · Raúl Marin | Nov 2025 – Present

Front-End Bootcamp

Netmind Barcelona | Nov 2020 – March 2020
